Mindy,

I checked regulations.gov this morning and all of the comment letters are now uploaded. Attached are the comments requested by Dave.

I created a OneDrive file with folders by commenter category that contain the comments received titled by commenter. [404\(g\) ESA Comments Received](#). I also updated the document with the chart and list of commenters from yesterday. There was an additional comment from the Florida Department of Environmental Protection that wasn't in the previous list. Additionally, after reading the comment letter from the Western Urban Water Coalition, I think this letter belongs in the "industry groups" category.

Hi Megan,

Not sure if this got passed along to you, but Dave is interested in seeing the comments from the states, NWF, Pacific Legal Foundation and Southern Env. Law Center. When you are able to get them, can you send them to me?

Thanks,
Mindy
